Thanks Valois: given the amount of comments we are reviewing, I think this draft generally provides an appropriate level of detail at this point (although I suggest adding a few more specifics in a couple of sections).

## Ex. 5 Deliberative Process (DP)

Let me know if it would be helpful to further discuss one or one or with Lucita and Chuck this week,

Douglas

Hi all –

I think this paper gets at what Darcy wants to hear. I have two overarching suggestions:

## Ex. 5 Deliberative Process (DP)

Please let me know if either of these ideas don't make sense to you. I haven't reviewed the paper to provide specific comments yet, but I will do that once you are ready.

Thanks!

Sarah: I will have comments on this first draft but wanted to share it with you.

Let us know your thoughts on whether the format and content is responsive to what Darcy is needing for her 11/20/17 briefing.

Also, when Darcy and I discussed next steps briefly this week, she indicated we may need to brief Doug the last week of November. However, I could not recall afterwards who is expected to schedule that briefing in time for Doug and Darcy's meeting with Blake Steele and John Mays in the first half of December.

Thanks,

Douglas
